Declaration regarding PFAS (Per- and Polyfluoroalkyl Substances)

Place: Leusden
Date: 4 May 2026

Modiform B.V. hereby declares that the products manufactured and supplied by Modiform B.V. **do not contain intentionally added per- and polyfluoroalkyl substances (PFAS)**.

This declaration is based on current product knowledge, internal product specifications and statements provided by raw material suppliers. The products of Modiform B.V. comply with applicable European legislation, including:

- Regulation (EC) No. 1907/2006 (**REACH**)
- The ongoing and proposed **EU PFAS restriction** as assessed by ECHA

If trace amounts of PFAS should be present, this would solely concern **non-intentional background contamination**.

This declaration is issued to the best of our knowledge and may be revised if legislation, standards or product compositions change.

On behalf of Modiform B.V.
